The Spirit

Dominator 62 is the first yacht in its range of offering personalization of the fly bridge layout according to the client's request.

Design

Dominator 62 was developed and designed by Dominator Yacht Division in collaboration with the world-renowned Nuvolari & Lenard design studio. With its aggressive sleek lines and sophisticated interiors, Dominator 62 is a successful fusion of innovative ideas and creative design.

Comfort

The elegant and sophisticated interior solutions of Dominator 62 provide the ultimate in luxury furnishings.

The Dominator team will gladly assist the client to select the best possible decoration for his/her personalized yacht.

Performance

The Yacht's exceptional sea-keeping qualities are evident in its outstanding cruising speed, absence of roll motion, and constant trim and direction.
